Let's Practice What We Preach!

A Challenge!

- RTD is a strong supporter of the Academy...in return they want us to challenge you with taking transit each week to/from the Academy!

The Incentive?

- Free transit passes to those committed to taking transit to the Academy each week!

If You Must Drive...

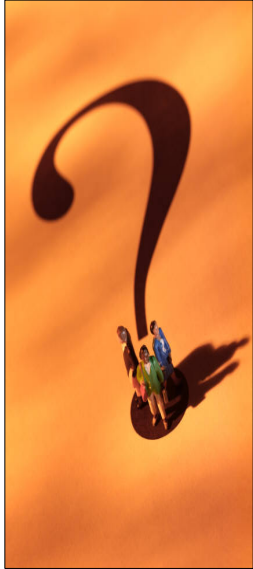

- Meters are usually available around the near our meeting facility.
- Parking lots and garages are available nearby if needed.
- Breaks are built into the Academy, but they are **NOT** at the same time each week. If you need to feed a meter – GO – don't get yourself a parking ticket!
