VISION

Influence/encourage TOD parking solutions on the FasTracks I-225 corridor, specifically at the Colfax and Montview Stations.

INVOLVEMENT/IMPACT

Objective will be executed through:

- Michael Baker Corporation, Project Consultant
- RTD
- Anschutz Medical Campus and Fitzsimons
- Life Sciences District
- Transportation Management Association
- City of Aurora (Planning, TOD, Transportation)
- Riders
- Adjacent Neighborhoods

TACTIC ONE

Begin the “TMA discussion” with stakeholders, strategic partners and the community to ensure TOD parking concepts are considered as viable solutions.

TACTIC TWO

Work with Michael Baker Corporation to identify issues to either expand or reduce parking at the Colfax Station. This analysis will, also help to influence parking solutions At other stations along the corridor.

TIMELINE

The I-225 Corridor Project is scheduled for completion with 30% preliminary engineering in 27 months.
