

TOD is a win-win for Colorado – if done right!

TOD is a solution. It creates sustainable and vibrant build environments while allowing us to protect species diversity, ecosystems, and natural areas as the world's population and our demand on resources increases.

Don't exactly have a plan.

Fly-by-the-seat-of-your-pants approach.

Learn.

Go to meetings.

Try to spread the good word.

In it for the long haul:

West Corridor and Union Station Transit District completed in 2013, and TOD goes on long afterwards.

Wadsworth and Colfax Avenues are ongoing.

Measure of Success: We'll just have to see: setting ambitious goals.
