Citizens' Academy- 2007

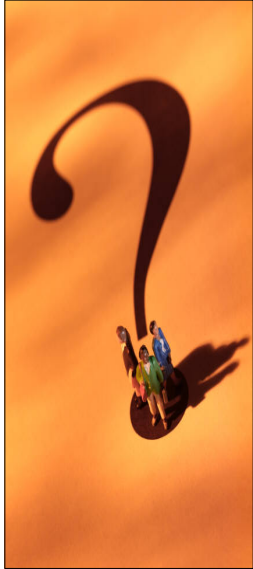

Community Involvement in TOD

1. What is the role of the community in making TOD decisions?
2. How do you make the community part of the decision making process?
3. What do you feel are best practices that could be used elsewhere in the region?
4. What are lessons learned?
5. When the project is complete, what in your opinion is the legacy of this community involvement process and the legacy of this development?
